

2.5.1

The evaluation schedule of the college students is broadly divided into two parts.

1. Internal Evaluation
2. External Evaluation

The University Authorities have prescribed the guidelines for the internal evaluation of the students. They include the process of evaluation and the weightage in the terms of marks. Internal Evaluation is done in the form of Oral, Project work, Seminar and Home Assignment for the classes as directed by University. Definite weightage in the form of marks for a particular aspect of Internal Evaluation is also prescribed by the University. The Examination Committee of the college plans the yearly schedule of the internal evaluation process. The paper setting, conducting the exam and evaluation work of the first year students of the college is completely done at the college level. The evaluation of the answer books is done by the concerned subject teachers of the college. The evaluation reports are sent to the University Office for the further processing and declaration of the results.

The Principal of the college consistently keeps the subject teachers aware of the guidelines by the university about the process of evaluation with the changes, if any. The guidelines of the university are provided to the subject teachers. The teachers carefully study and understand the process of evaluation to be followed and then evaluate the students and make aware of the process of evaluation. The information regarding evaluation process is kept ready for reference to all the students in the library of the college (displayed on the notice-board).

Internal Exam:

The new patterns of internal examination like Seminars, Home Assignments, Project Works and Oral Tests, Library and Group activity, online learning activity, Mid-test, Viva-Voce are introduced to B.A, B.Com, B.B.A, B.C.A, M.A, and M.Com. The internal marks are directly included in the final mark list.

1. The Internal Examination Pattern is introduced to all class of BBA and BCA.
2. It follows 70:30 for BCA I & II. 50:50 for BBA I, II & III.

Principal,
S.M.G. Kanya Mahavidyalaya
SANGLI

3. 80:20 patterns are followed for post graduate examinations and B.C.A III course. 20 marks are given for seminars, oral tests, project works and home assignments.
4. 20 marks are allotted for internal of B.C.A course (IIIrd Year). Marks are distributed as below:

BCA I, II	-	Mid-term exam: 5 marks
		Attendance: 5 marks
		Assignments: 5 marks
		Library/Online learning activity 5 Marks
		Group activity 10 Marks
BCA I, II & III	-	Mid-term exam: 30 marks
		Internal activity: 10 marks
		Attendant: 10 marks

b) INSTITUTIONAL REFORMS:

The college conducts various evaluation methods for students apart from university evaluation pattern:

1. Class Tests
2. Field Surveys (Geography department)
3. Study Tours (Commerce Association)
4. Quiz

The institution made the following mechanism in ensuring transparency in internal assessment and external assessment.

Every teacher explains the internal assessment procedure to the students at the beginning of the every semester. The teachers decide the weightage to assess overall development of the students. The weightages vary from teacher to teacher. They are not mandatory from the university; but for the development of the students, teachers follow it. They are discussed in the classroom for transparency.

The weightages cover the following aspects:

1. The attendance of the students
2. Participation in the classroom discussion

Principal,
S.M.G. Kanya Mahavidyalaya
SANGLI

3. Homework/Exercises
4. Participation in question-answer sessions
5. Behavior in the classroom and the college campus
6. Classroom attention
7. Participation in cultural and academic activities

A particular mechanism for Redressal of Grievances with reference to evaluation is followed at the college and university level.

Internal:

There is, according to the guidelines, the department of examination established in the college under the chairmanship of the Principal. The redressal of the grievances with reference to evaluation of Part I examination is done in the concerned department. The students, after getting their results, apply for the photocopy of the answer book, if they have grievances in connection with less mark. The photocopy is given to them. After that, the students confirm the answer book and submit the list of grievances such as under marking, unassessed answers, counting of marks and total of marks, etc. If needed, the department of examination invites the experts and re-evaluates the answer book. If the re-evaluation shows change in marks up to 10%, a new result is given to the students.

External:

The External Evaluation of the students includes the assessment of the performance of the students in Theory, Practical and Viva- Voce of the Projects. The schedule of the External Evaluation is prepared by the University Authorities and conveyed to the colleges. The college follows the University schedules.

In the execution of the examination schedules the college makes available the services of teaching and non teaching staff, college classrooms and laboratories for conducting the examinations. Whenever the University Authorities entrust the college with the responsibility of holding the Central Assessment Programme (CAP), the college makes all the necessary arrangements required for the purpose including the infrastructure and the manpower. When the services of the college teachers are expected by the University for the Assessment and the

Principal,
S.M.G. Kanya Mahavidyalaya
SANGLI

evaluations at other centers, work as a member of flying squad, Senior Supervisor etc., the college deutes the concerned teachers.

There is a Board of Examination body in the university to redress the grievances of the students in the context of evaluation. The following mechanism is established for the purpose:

1. Students apply for the photocopy
2. They fill Performa where the grievances are listed
3. Experts are appointed to examine the grievances
4. If the experts agree with the grievances, the examiner is invited to reassess the answer book
5. If the evaluation shows change in marks, the students are informed about it.

The college and university maintain the transparent policy in this mechanism.
